EXTRACTS OF THE ANGLING REGULATION

MINIMUM SIZE OF THE CATCH

Bouzey, the l'Abbaye and the East Canal (second category):

- Pike-perch : **50 cm** - ● Pike : **60 cm** - No minimum size for perch.

OPENINGS FOR THE DIVERSE SPECIES

Pike, perch, pike-perch : opening on 27 April 2024 (Bouzey opening on 01 mai 2024) ; closing on 28 december 2024.

Number of captures of predators allowed (pike, pikeperch, black-bass) : 3 predators per fisherman and day, including 2 pikes maximum.

Carp night fishing : authorised from 6 April 2024 till 8 Décembre 2024.

GENERAL POINTS OF THE REGULATION

- While angling, one must carry his/hers personal card. Not carrying the card is an offence.

Specific points of the second category fishing :

- Maximum 4 lines with 2 hooks at the most in the proximity of the angler.
- **Boot fishing in Bouzey : maximum 3 dragnet lines (throwing cane included) are allowed on each boat.** 4 canes at the most for each angler who is at a fixed point. A single fishing area is allowed within the periphery marked with buoys. The angling has to be at least 30 meters away from the reserves, the shore and other fishing areas. (Regulation and controlling by the navigating department).
- **During the closing time of the pike angling,** (opening on 27 April) fishing with live, dead or artificial fish, with spoons or others types of lure, except fort artificial flies, is forbidden in the 2nd category waters.
